of

PEQUEA VALLEY HIGH SCHOOL

R. D. 1, Kinzers, Pennsylvania

FOREWORD

Time moves toward the future and
consumes the year that's past.

Future then, set to attain; A goal
we score at last.

As we look back over time; we see a
mighty team.

To all who guided and taught us; our
gratitude we beam.

Preparing of this yearbook; has
broadened out our view.

From our toil we rise higher; the
class of sixty two.

We pass along the challenge, far
higher may it be.

To our under teammates; the class
of sixtythree.

PROVIDES THE MEANS

To the Class of 1962:

Arthur W. Eshelman
Principal

Seniors, to have the proper prospective of life, and its meaning, you will be called upon to make choices wisely and to exercise your opinions cautiously. We trust that your school has helped to give you the mental and moral courage and equipment to choose as worthy members of a Democracy.

Today there are many who look into the future with fear and uneasiness, fear that the world is headed for disaster - Communism; uneasiness because they think the opportunities for youth have passed - "defeatism." Of these two philosophies of life, "defeatism" is the more dangerous to our youth.

You are graduating from high school at one of the most challenging periods in our history. To you comes the great opportunity to live upright and worthwhile lives, the opportunity to help build a new structure of peace and cooperation among nations, the opportunity to help form better relationships between different groups in our country and the opportunity of developing and harnessing the new scientific discoveries for the well-being of man.

Your choices will make a difference. They will depend upon how well you have learned the lessons of industry, honesty, courtesy, cooperation, courage, integrity and how well you exercise them. Your opinions and influence will count. Time alone will tell. Keep up the good fight, keep true to the faith and your years to come will be kind, fruitful, useful and happy ones. Your successes are our successes and your failures are our failures.

Again, I congratulate you upon your graduation. May the guidance of a kind Providence be yours to the end that each one of you may be happy, contributing citizens in a peaceful world order.

The NATIONAL HONOR SOCIETY, a select group of students in 11th and 12th who are outstanding in scholarship, service, character and leadership, has attempted to be more active in service to the school this year than in previous years.

One of the main projects was a tutoring service for fellow students. In the spring all new members were inducted in an annual assembly program conducted by another school. Mrs. Wenger serves as advisor to this group.

CARRIED BY ASPIRANTS ON THE WAY

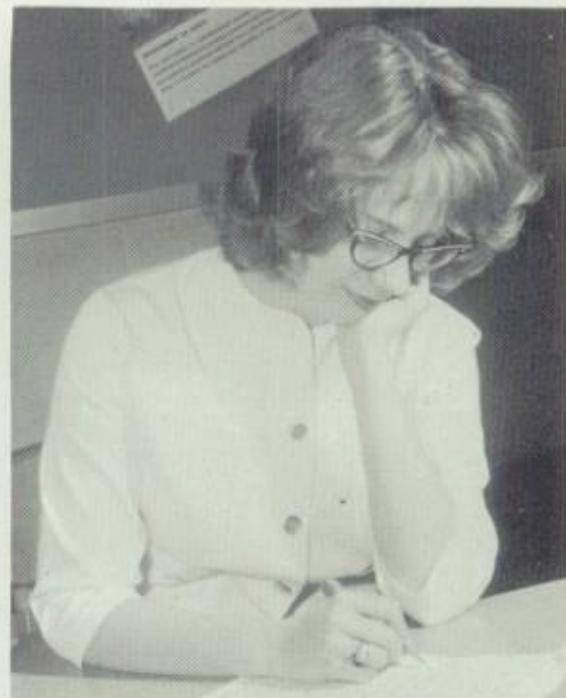

D.A.R. AWARD
Jacqueline Lacock

This award was given to senior girl chosen by faculty and fellow students on scholarship, service and character. Local winners compete to determine a state-wide winner, who then competes nationally. In March an annual meeting is held, honoring all awardees in Lancaster County.

STUDENT COUNCIL REPRESENTS

Officers l-r: Carl Slaymaker, President; Louise Wenger, Secretary; Joe Rice, Vice President; Don Eisenberger, Treasurer.

The most exciting campaigning done at Pequea is that done for the position of President of Sr. High Student Council.

Several weeks before the actual voting each candidate through his campaign manager vies for attention. Posters, give-aways and other vote-getting techniques are in full swing. The climax comes with an assembly at which each candidate makes his campaign promises and the students leave the auditorium to vote.

This years campaign managers were Ernie Stalder for Carl Slaymaker and Jacqueline Lacock for Georgia Mantell.

AND PLANS MANY YEARLY EVENTS

Birte Rottensten, last year's exchange student, is this year's inspiration.

Richard Eby our Sr. High Sir Valentine.

Gloria Groff was chosen Pequea's Sr. High Spooknacht Queen.

The annual Corn and Doggie Roast provided fun, food, and dancing.

With the President elected and the other officers installed, Student Council moved into high gear; sponsoring the Corn and Doggie Roast, Halloween Party, Spooknacht Queen Contest, Christmas Dance, Sir Valentine Contest and a roller skating party. To arouse school spirit a Pep Club was formed and for the first time, this year's members received membership pins.

Realizing that their fellow students greatly enjoyed knowing Birte, our last year's exchange student from Denmark, the Council has been busy ironing out final details necessary to bringing another exchange student to Pequea for 1963.

Look who we found when we unmasked this doll! Happy Halloween, Lightning.

PROMISE OF FUTURE ABILITY

The JUNIOR HIGH STUDENT COUNCIL this year took part in many student activities holding a successful Halloween Party, sponsoring busses to Junior High Soccer and basketball games, and joining with the Sr. High to sponsor a roller skating party.

Bowling parties, a swimming party in April and the biggest event of all, the Spring Dance aided the Council's fund to purchase new cheerleading uniforms.

A Hawaiian theme made the "Tropical Mood" dance a gala affair.

INCALCULABLE IS ITS BEAM

HARD AT STUDY, NOT JUST BOOKS,

Cultural interests were broadened through programs by Ralph Paulsen, a German exchange student and Allen Douglas a reporter who had traveled extensively in Russia.

To further relations and get re-acquainted, the Pequea Valley Joint School Board hosted a banquet for the faculty.

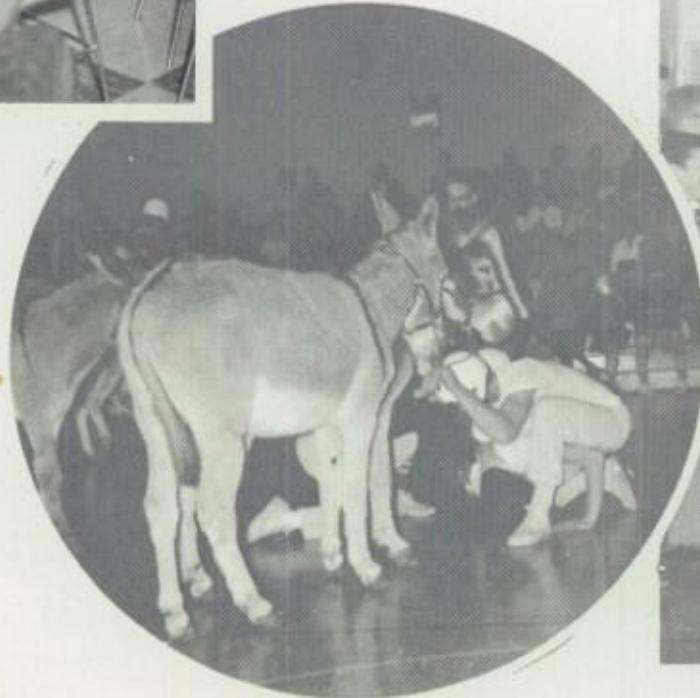

Science curriculum includes catching and studying insects, experimenting with chemicals and collecting leaves.

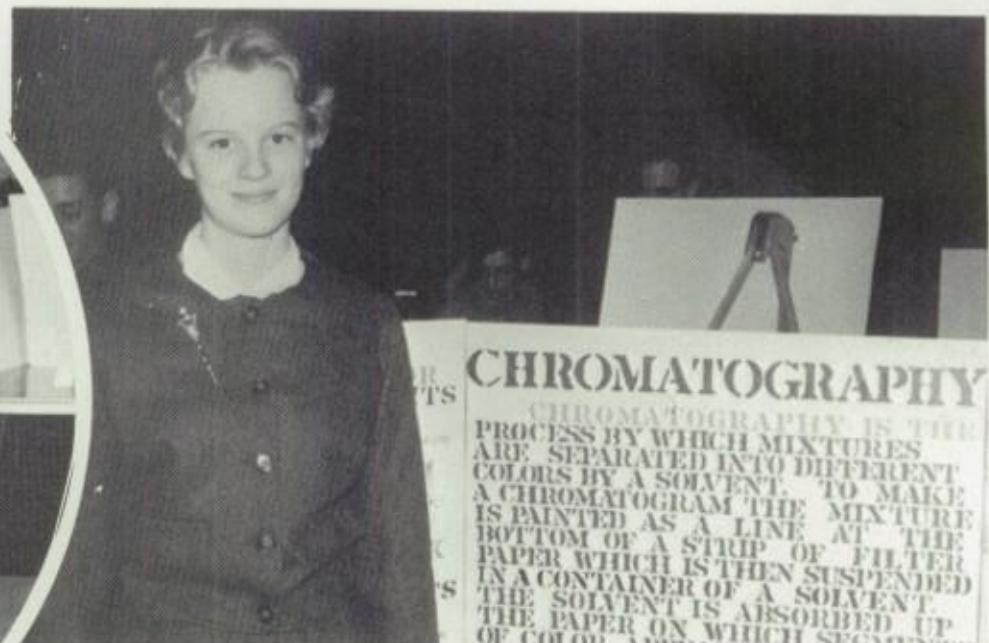

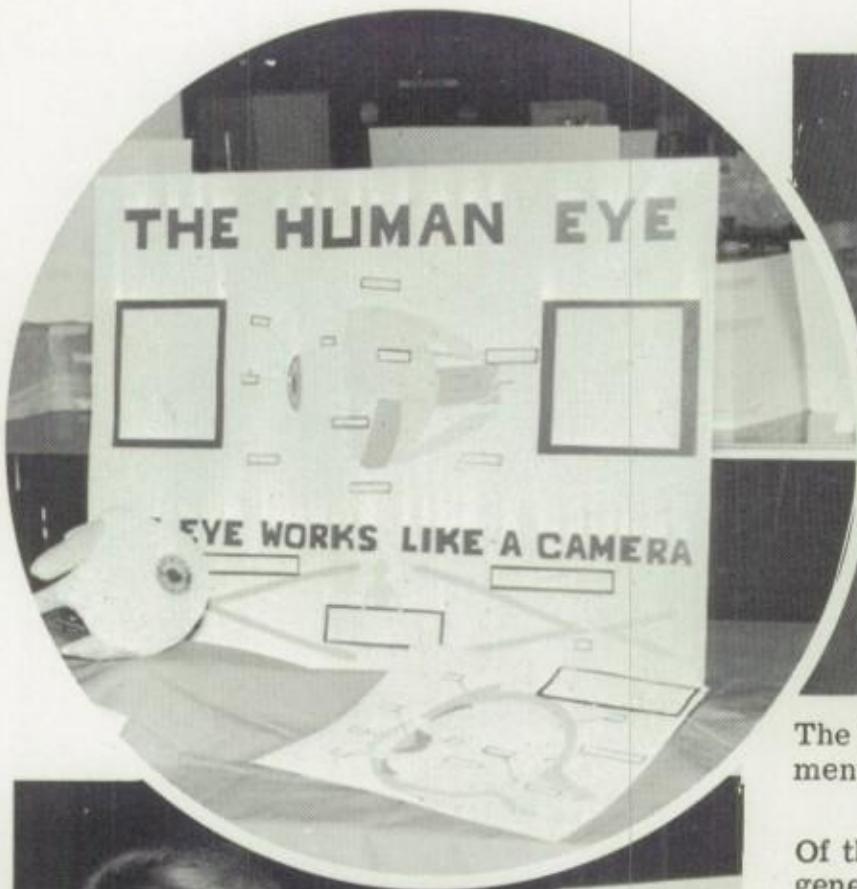

BANQUETS, PROJECTS, TRIPS WE TOOK

Typical of the on-the-spot learning during the year are those pictured here. The Seniors toured the American Stock Exchange while visiting the UN and climaxed the year with a two-day tour of Washington, D. C. while the Sophomores went to Williamsburg.

Our school activities fund got a shot in the arm during Christmas vacation when a donkey basketball game was held.

The Science Fair encourages students to try individual experiments such as these winners pictured here.

Of the various service groups at Pequea Valley, none gives more generously of its time than the Library aides. Besides service, the Snack Bar proprietors and the magazine championship salesmen earned funds which made possible many student activities.

Mr. Hoopes and Mr. Cooper in gay nineties attire!

Senior Chorus, under the direction of Mrs. Hoopes, again this year presented delightful musical programs. The annual Candlelight Service was a fitting way to part for Christmas Vacation.

The Band of Braves with their striking red and white uniforms have been busier than ever this year. Besides the usual parades in the fall and spring, the band made trips to the University of Pennsylvania, Band Day, the Washington, D.C. Cherry Blossom Festival and the Atlantic City Tall Cedars Convention.

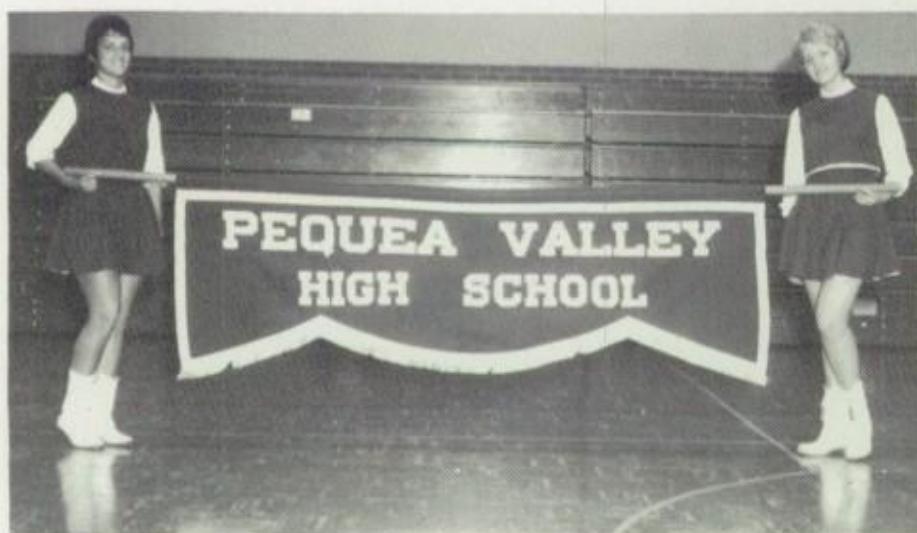

The band also gave three concerts instead of the usual two--a light modern type concert in February, the annual band assembly and the annual spring concert in April.

ARDENT JOURNALISTS, ALL

Now in its thirtieth year of publication, the PIONEER, school newspaper, has been serving the Pequea Valley area by informing students and community of school activities four times a year.

Approximately 35 students comprise the editorial staff, advised by Mrs. Strausser, and the business staff, advised by Mrs. Wengler.

In addition to planning pages and writing

the stories, the editorial staff has the opportunity to attend one journalism workshop and to tour the Lancaster Newspapers Inc.

Deadline evenings are spent trying to fit stories into the original page layouts and plan headlines that attract attention.

After being judged by Columbia Scholastic Press Association in March, The PIONEER received a second place award.

Editors and proofreaders aided by Mrs. Strausser, plan a dummy for the next PIONEER issue. L-r: D. Hostetter, Circulation Editor; G. Mantell, Feature Editor; Mrs. Strausser, Advisor; D. TWO CLASSES, TWO PRESENTATIONS

The cast of CREWCUTS AND LONGHAIRS l-r: Gloria Groff, Robert Schenke, Joe Rice, Lester Houck, Marilyn Rohrer, Larry Winters, Carl Slaymaker, Joan Martin, Bev Norris and Linda Hess.

"But I am Biff Watherspoon!!" l-r: Lester Houck, Carl Slaymaker, Larry Winters.

"NO! NO! A thousand times, NO! l-r: Marilyn Rohrer, Joan Martin.

"OK Cornball, hand it over!" l-r: Gloria Groff, Joe Rice.

The unusual plot of this hilarious comedy revolves around the mysterious exchange of two personalities. Husky, handsome Biff Watherspoon, Lester Houck, about to take a special exam in English to qualify him for the football team, allows himself to be hypnotized hoping it will sharpen his dull brain. Joe Rice as Mr. Drooper, his teacher, scoffs at this but becomes accidentally hypnotized himself. Then somehow in the psychic realms the wires get crossed and when they awaken from their trance, Biff has Mr. Drooper's mind and Drooper has Biff's. Each believes himself to be the other.

With a great deal of pride and pleasure the play was repeated at Garden Spot High School as part of an assembly exchange program, where it was received by a wonderfully appreciative audience.

A PLAY, A PROM, BOTH SENSATIONS

A bridge surrounded by willow trees, cherry blossoms, and lanterns transformed the gymnasium into a Japanese garden for the Jr.-Sr. Prom. The theme Sayonara signified a "goodbye" to the senior class.

Dance music was presented by the Tune Stylists and the comedy team of Shorty Long and Smokey Daniels entertained at intermission along with Judy Lynn who did several tap dance routines.

Probably the most thrilling event of the evening was the crowning of lovely Corinne and handsome Harold as pictured below.

The Prom ended with an ample buffet served in the cafeteria whose windows had been decorated with the letters of Sayonara surrounded by Japanese lanterns.

Rick Morley, MC, with his date

Donald Trostle and his Tune Stylists from Lancaster supplied Danceable Melodies.

Once again soccer was the highlight of the '61-'62 school year. At the start of the season many people had their doubts as to Pequea's chances for another championship. As the season progressed the team proved over and over that they were able to come from behind to win. Winding up county league play by losing only one league game, the team entered the playoffs. The first game with Northeastern proved to be a thrilling 0-0 after overtime and Pequea was awarded the victory on corner-kicks, 4-3. Bethel, the next opponent was defeated 1-0, and Pequea gained the District III Championship. Much excitement prevailed in the inter-District game with Haverford as the score was deadlocked at 2-2 after overtime. Pequea

was again awarded a victory on corner-kicks and the Inter-District Championship. The clinching of this title wound-up a successful soccer season at Pequea.

Honors did not end there either as Paul Secunda and Earl Lacock were placed on the County First All Star Team. Bert Hershey, Les Houck and Bill Zimmerman made the Second All Star Team. John Mitchell, Ron Eby, Wayne Peters, Gerard De Froschia, Don Eisenberger, Carl Slaymaker and Clarence Groff all received Honorable Mention.

Coach Bailey has compiled quite an impressive record in his three years at Pequea. His record is 41 wins, 5 losses and 3 ties. In these three years Pequea has scored 124 goals, while the opposition has scored 29 goals.

Bert Hershey set to take a shot!

Linda Hess, our mighty fullback, sharpens her game with a little practice session

The Hockey season this year closed with a 4-4 record. Perhaps the most deserving victory was that over Penn Manor. The team played a fine game, showing skill, art and ability, and winning with a 5-4 decision. The last encounter was Manheim Township, who defeated us by a score of 2-1. The girls showed much indifference during the first half of the game, but came back to play their fastest and hardest game of the entire season.

The J. V. Hockey Team came through the season with only one loss. Perhaps they were not a winning team, however, they were not a losing one either with five ties. The girls showed much enthusiasm and are promising as an excellent team for future years.

Go get it, Jerre!

The '62 basketball season proved to be somewhat of a letdown following a great soccer season. Lack of height and the lack of returning players greatly handicapped the teams ability to win. The Juniors, led by high scoring Jerre Frankhouser, gained valuable experience which should aid next year's team. Although the team only won one game they provided us with some thrilling moments.

Knowledge Puts Wings on Ambitions

Great opportunities and challenges are ahead for the Class of 1962 on the broadening horizons of the world today. New Holland Machine Company has been learning too. The new knowledge gained in its laboratories and shops and

on its experimental farms is helping build better labor-saving machines for modern farmers. It is helping provide bigger and better crops for a growing population.

New Holland congratulates the Class of 1962 as one of its new partners in setting a new course into the orbit of tomorrow.
